Summer 2007

Prelude to Bernstein
What a wonderful way to end a full season. Mojalet joined The Towne Singers, conducted by MarkAaron Humphrey, in a tribute to Leonard Bernstein,

introducing among others, *Preludes, Fugues & Riffs*, an upbeat piece that plays with the musicality of Bernstein's clever compositions. Along with an incredible choir, our dancers knocked the socks off of a full house at the Alex Theatre, Glendale. Thank you for a stunning evening, MarkAaron. We look forward to working together again!

Educational Outreach

And, speaking of wonderful continuing collaborations, our 3rd Annual May trip to Switzerland and Germany with SDSU, was another incredible adventure.

After hosting our friends in San Diego this past April, we met up again with Czerner Dance Company at their lovely studio in Konstanz, Germany, for two more shows featuring exciting pieces from Mojalet, Czerner Dance Company, and the University Dance Company. From Germany, we headed over to Lugano and Zurich, where Faith's master

classes are welcomed with open arms from old friends, anxious to catch up on the excitement of the previous year. Aside from a very rainy welcome, we had a great time performing, sloshing around,

and taking in the Alpine scenery. There's nothing like fresh mountain snow in the middle of May! Our old friend and most gracious hostess,

Elfi Schaffer-Schafroth, Zurich, Switzerland had a

wonderful reception for us at the University of Zurich with a surprise visit from Rhythm Talk. It's great to see familiar faces each year! Don't forget, Rhythm Talk comes to San Diego this October, let's make it a trip to remember!

Eclectic Expression

Many thanks to the Toby Wells Foundation for providing such an enjoyable experience on the home front. The Teens and Tweens and our Eclectic

Expression students, including the newly formed group at the Boys and Girls Club in Poway, danced their hearts out at the Student Showcase, Scripps Performing Arts Center, June 15 and 16th! It was fun to see the younger student's work integrated into the performance pieces, giving everyone a bit of ownership in the final project. For those of you who haven't experienced the pride and joy of a young child who has performed for the first time, you're missing an eventful experience. School's out for summer but, fear not, we'll resume classes in September - with special guest appearance from Rhythm Talk in October, and, another Student Showcase by year end.

Summer Challenge

We need your help! Hunter Industries has once again generously offered to match a grant to bring the Eclectic Expression program to the Boys

and Girls Club - San Marcos. Won't you help us *Create Art with Heart* for this community too? With a successful campaign, we can offer dance classes to members free of charge, bring in guest master instructors, venture to a professional performance, and learn to move our bodies and use our imaginations! We need your help to generate the match, and bring another enlightening experience to the San Marcos community. Won't you consider helping us get this program off the ground in September 2007?

Sharon Kearin, Mojalet's Shining Star!

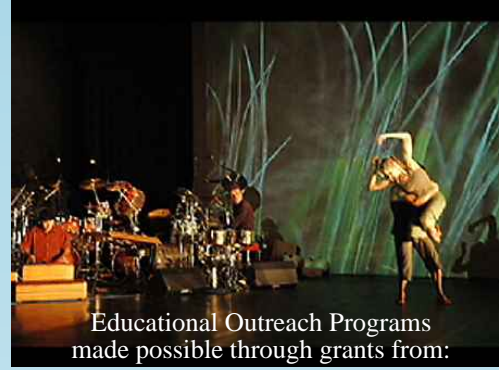

Thanks again, Sharon, for your dedication and commitment to the cause. You have set yourself a goal and we now see, you just won't be happy until you achieve it. We're so grateful you're on our team!
