Spring 2006

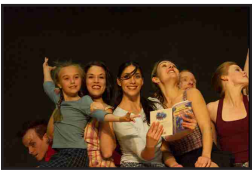

Mojalet invited to SD Mozart Festival

What an honor! With special thanks to Supervisor Pam Slater-Price and funding from a generous county grant, Mojalet has been invited to perform at the Mainly Mozart Festival. To celebrate the event, Faith has been working on some exciting pieces recently previewed at Café 2006. This being the 250th anniversary of Mozart's birth, there are many cultural activities being held throughout the year. Come join us at noon for *Lunchtime at the Lyceum*, Thursday, June 22, as we present

some of our newest material, an ensemble of work set to three movements from Mozart's Requiem, *K.626*, along with a colorful collage of works, *Portraits of Mozart*, from Mozart's Operas, *Così fan Tutte* and *The Magic Flute*. The performance is FREE to the public. If you miss the afternoon performance, you can always catch the candlelight show that evening at Saint Paul's Cathedral, Hillcrest. Gen'l: \$15, Students: \$10; or, yet another FREE show at the Mozart Festival on June 3, 1:30 - 2:30, County Administration Bldg., downtown. We hope to see you there!

3rd Annual Café Mojalet another huge success

Before opening the doors to an incredible 200 patrons at the Poway Community Auditorium, February 25, the Mission Hills high students performed excerpts from their work-in-progress,

Paths, out in the courtyard on a platform created by set designer, Joe Ismay. That set the mood for a lovely, yet playful evening dancing through an ever favorite, *Frolicking*, as we

opened with excerpts from our *Dancing Through the Pages* program. Emcee, Cindy Frerking, had some fun dressed in the period for *Portraits of Mozart*, a journey through the musical pages of Mozart's great compositions. The auction featured so many wonderful treasures, one member may be in a massage afterglow until next year - thanks to creative items and donors! Food, wine, entertainment and fun were had by all.

An Expression of Gratitude... It's official, we have been blessed with a creative, hard working Board of Directors who

believes strongly in our mission to educate and promote family-friendly, quality dance while creating an avenue for young dancers to work in the professional arena and support the

community. And, thanks to Holly Green, The Human Factor, and the SD Performing Arts League for their MVA program we're well on the way to developing a board to make that possible. Thank you for a job well done - Debbie Heath, Faith Jensen-Ismay, Joe Ismay, Sharon Kearin, William Murray, Tina Rousseau, Christine Sionne, our newest returning member, Jennifer Bill (Welcome back Jen!) and the wonderful Mojalet dancers. We are extremely thankful to our sponsors and supporters, old and new. With your help, this year's Café Mojalet was more than we expected! We could never have achieved such overwhelming success without the support of our friends, family, auctions donors, generous sponsors like Vantage Home Loans; Hunter Industries; Travel Dynamics Group — who sponsored a table and then invited student dancers to join the event on their behalf; Skyline Displays San Diego; Chiropratique urban retreat; Soulscape Dance Company; and Rachelle Clausen Bodywork & Massage at Salon 2141! We'd like to give special thanks to Hunter Industries and Toby Wells Foundation for providing grants to fund the *Dancing Through the Pages* program. This program incorporates the CA State Standards in dance with elements designed to entertain, educate, motivate and inspire students to use their reading resources as a tool for creating movement. What better way to promote literacy as well as physical exercise! Other friends we'd like to recognize are Dimensional Effects for donating stunning graphics for the past 3 years, Imagine This Company designed and printed wonderful magnets for each of our guests. As always, Elazar shot some incredible photos - some featured here; and, we can't forget Lucky Chinese for providing the ever popular pan noodles! Thank you all for making the event possible. We are indebted to your generosity and strive to educate and enhance our community by continuing to create art with heart!

Upcoming Star Honoree:

On May 22, San Diego Performing Arts League will hold the 15th annual Star Awards to celebrate outstanding volunteers in the Arts. Please join us in honoring Elazar Harel, incredible photographer to the community. Visit his site to see the new 2006 Café Mojalet images! And, see why he's our honoree of the year!
