Spring 2008

2008 Brings Extraordinary Opportunities

Thanks to our wonderful friends and supportive family, Mojalet Dance Collective has had a phenomenal season. Rounding things off last month was a lovely evening at the 5th Annual Café Mojalet

International Delights where much fun was had by all. Thank you Cindy and Tim for being such entertaining emcees - it really does elevate the excitement level of the evening. As usual, the program was lively and comedic, especially with the revival of *Love American Style*. We finished packing things up and heading off just before the rains hit. Hallelujah! Thank you sponsors, auction donors, attendees, dancers and most of all Board Members, for all your hard work and contributions to the cause. We are indebted to you all and aim to make you proud!

With just a little encouragement, Mojalet took some big steps this past season. The Rhythm Talk collaboration enticed us to rent the Poway Center for Performing Arts for our season opener; a big risk for a big project that started the season off with a percussive roll. Thank you, Paul and Lauren Scott, and Lynn Cassidy, for your generosity and extra help with that project! A special thanks goes to Stephanie

Myers, senior intern from Poway High, for coordinating the day performance for Poway High students. As small steps generally lead to bigger ones, Hunter Industries Inc. and the Boys and Girls Club of San Marcos, have teamed up to bring the Eclectic Expression program to five different locations throughout San Marcos, allowing Mojalet to touch hundreds more kids with no cost movement lessons. Mojalet Creative Community Center: The Vine

Last but not least, we are happy to announce our newest endeavor of the season – a wonderful new theatre to share work with the local north

county community and fellow artists in the quaint, intimate Rancho Bernardo Winery. *Here's where we really need your help!* Although Café Mojalet met our initial goals to help grow our outreach programs, growing up always requires bigger, scarier steps; we now need to come up with an additional \$20,000 to build out the theatre. Read ahead to see how you can help with our newest challenge! Thank you again to the many who have supported us in the past, and those who will help in the future, as we strive to provide you with enlightened dance programs to enjoy while continuing to *Enrich lives...one step at a time.*

Educational Outreach

Our residencies continue to grow: Pomerado, LR Green & Valley Center Elementary schools; Meadowbrook Middle School; Orange Glen, Canyon Crest, Mission Hills, and La Costa Canyons High schools. **Interested in bringing Mojalet to your school? Call 858-679-0979.**

Gearred to the serious teen student with professional goals. *Mojalet's Mission* - To foster the development of young teens who are serious about their commitment to the art of dance. The goal is to offer a program that will help them mature as young responsible citizens while they learn to craft, and train in their art of dance. The dancers continue to train with the Mojalet Professional Company, while continuing their involvement with Eclectic Expression, and community outreach. Watch for them this summer!

We are The Vine... you are the branches!

Won't you help us branch out?

Mojalet's Creative Community Center: *The Vine* will open July, 2008 at the Rancho Bernardo Winery, North County, SD. This new venture fills a need in North County; a small and affordable performance space for local and domestic artists, as well as international performers. *The Vine* will be the new home for Mojalet Dance Collective to train and perform regularly, along with Soulscape Dance Company, and a variety of other guest artists. The new venue is open to Dance, Music, Theatre, Poetry, Film, Visual Arts and more. *The Vine* offers a unique experience for our patrons as they enjoy the beautiful surroundings of the grounds at The Rancho Bernardo Winery, and have a chance to explore the fine dining, coffee shop, bakery, art galleries, jewelry crafters, retail stores, and more. *Mojalet Creative Community Center: The Vine*, in conjunction with the Rancho Bernardo Winery, will offer more than just a performance, together we offer a special experience.
